PRESS RELEASE

## **Introducing Propietat d'Espiells, the soul of Juvé & Camps**

**Propietat d'Espiells, the Juvé family's project dedicated to still wines in Penedès, represents the brand's estate wines produced in the region.**

**For Juvé & Camps Prime Brands, the idea of Propietat d'Espiells is rooted in the vineyard: wines that capture the essence of their place of origin through environmental awareness, sustainability, and respect for the land, while embodying the legacy of a winegrowing family that dates back to 1796.**

**Propietat d'Espiells presents the new vintages of two flagship wines: Miranda and Casa Vella, featuring a completely new look to coincide with this release.**

Espiells is Propietat d'Espiells's flagship vineyard, located in one of the most renowned winemaking areas of Alt Penedès, at the foot of the Montserrat massif

**Sant Sadurní d'Anoia, September 2019** – Juvé & Camps Prime Brands introduces Propietat d'Espiells, the Juvé family's project dedicated to still wines in Penedès, which represents the brand's estate wines produced in the region. The new Propietat d'Espiells wines are organically and sustainably grown in exceptional vineyards distributed across the family's various estates throughout the appellation of origin.

With firm roots in the heart of Penedès, Propietat d'Espiells unites expertise and a strong sense of place with high standards of sustainability, stringent levels of traceability, and a future-oriented vision to ensure the continuation of the Juvé family's legacy in the region.

“The idea of Propietat d'Espiells is rooted in the vineyard,” states Meritxell Juvé, “These wines capture the true essence of the terroir that defines our Penedès vineyards, as well as embodying our family's winegrowing heritage.”

Propietat d'Espiells features a wide varietal range of new white, rosé, and red wines from the winery's 271 hectares under vine, which follow 100% organic, artisan farming practices. “Winegrowing is based on a deep respect for the earth and nature, a legacy that has shaped four generations,” remarks Pep Jiménez, the winery's director of viticulture, “Now, at harvest time, is when we see the fruits of the consistent, tireless efforts we've made throughout the year. This vintage saw mostly dry conditions, but two rain events in July and August contributed to grapes of excellent quality.”

Three exceptional enclaves – Espiells, La Cuscona, and Mediona – make up Propietat d'Espiells and caring for these vineyards is the hallmark of this project. Every variety achieves the right balance and develops its full potential in a terroir where unique climatic, soil, and topographical characteristics work hand in hand with the winegrower to lay the perfect foundation for great wines.

The new vintages of Propietat d'Espiells, with the Juvé & Camps guarantee, are being released as nine reimagined wines: Flor, Miranda, Ermita, Ermita Rosé, Gregal, Aurora, Casa Vella, Viña Escarlata, and Iohannes. Given the importance of this project, each wine was imbued with its own identity. In the future, the range may see new additions to reaffirm and reinforce the family's longstanding commitment to quality wines.

Propietat d'Espiells belongs to the J&C Prime Brands corporate group, which also includes three other prestigious wine companies: cava-makers Juvé & Camps, the winery Pagos de Anguix in Ribera del Duero, and the Primeras Marcas wine distributor.

FINE WINES

## Miranda d'Espiells and Casa Vella d'Espiells, sustainable estate wines

Propietat d'Espiells makes its debut with the new vintages of Miranda d'Espiells and Casa Vella d'Espiells, which both feature a completely new look to mark the occasion.

**Miranda d'Espiells (RSP €12)** is a bottle-aged Chardonnay varietal. Gold in hue, the wine offers a complex aromatic expression with notable ripe white fruit notes and citrus undertones. Delicate and fresh, it has good acidity and a big, silky, elegant, balanced palate. It pairs perfectly with pasta, stews, white meat, fish, and Japanese cuisine.

**Casa Vella d'Espiells (RSP €14)** is a cherry-coloured red wine made from forty-year-old vines grown in the Mediona vineyard, located at 600 metres above sea level. Intense and deep in its aromatic expression, the wine unfolds unctuously and opulently across the palate, with echoes of spices on the finish. An age-worthy wine that combines classicism and modernity, maturity and freshness. Casa Vella

goes beautifully with charcuterie, cheeses, stews, red and white meat, and fish.
