

IOHANNES

A magnificent, majestic, exuberant, age worthy wine.

This magnificent, flavourful red, a classic Bordeaux blend, is a tribute to the winery's founder. It starts its journey in the vineyards of Mediona, at 700 metres above sea level. The intense red colour is indicative of long maceration, as are the deep fruit notes (blackcurrant, plum, blackberry, cherry) that define its aromatic profile, joined by oak-imparted nuances (cinnamon, clove, vanilla). As it opens up in the glass, it also offers echoes of candied fruit, fig cake, and toasted aromas. The full, vigorous palate has velvety tannins and exuberant ripe fruit sensations that resurface on the impressive finish. A wonderful age worthy red that promises to mature beautifully for at least a decade. Aged in first and second-use barrels of very fine-grained French oak, it then matures in foudres, followed by an average of 2 years bottle ageing prior to its release.

Made from Merlot and Cabernet Sauvignon, it is a red with great colour intensity and a beautiful, deep, dark ruby hue. A masterful balance of volume and elegance. Despite its concentration, it unfolds seamlessly and with great length. This harmonious yet opulent red stands out for its elegant ageing in the finest French oak, which is very well integrated. However, the fruit impression (small black fruit) is what really makes it shine. Endowed with round, sweet tannins, it displays spicy notes (clove) and good acidity. A majestic and exuberant age worthy red.

Iohannes pairs beautifully with charcuterie, cheese, stews, red meat, and classic game recipes.

Type

D.O. Penedès Reserva Red

Soil

Loam-clay-limestone with high presence iron oxide

Grape varieties

Merlot
Cabernet Sauvignon

Rootstock

110 Richter

Planting Density

3500 vines per hectare

Trilling

Cordon Royat

Ageing

12 months in extra fine grain French oak barrels and an average of 2 years in bottle

AVB

14.5 %

Service

16-17 °C
